SAP Consulting Services

ALKU is a specialized consulting firm focused on deploying highly skilled SAP consultants to companies on a contract basis throughout the U.S. & Canada.

Specialized Knowledge and Experience

ALKU employs dedicated teams who focus on a single specialty – ensuring an unmatched depth of expertise within our chosen niches. It takes specialized experience to identify the right talent, and ALKU delivers.

Access to Top Professionals

Our ALKEmist program allows us to form and maintain relationships with elite consultants in each industry we serve. Targeted, proactive recruiting and an unmatched referral pipeline guarantees access to the best talent in the marketplace.

Speed and Accuracy

When you contact us with a need, our delivery team gets to work right away. As senior team leads at the top of their respective fields, they speak your language. They carefully analyze your needs. They develop targeted solutions to your complex problems, and rapidly deploy the right talent within 24-48 hours.
