## PASSIONATELY GREEN

Bordering a beautiful national park, rich with flora and fauna, GRAFF's manufacturing facility is actively and thoroughly green. Nature's glory surrounds us as we guard and honor the precious resources the Earth offers. We passionately protect the environment, meeting strict EMS and conservation standards to ensure the vitality of a green present and future. At our manufacturing facility and everywhere else GRAFF is present in the world, we treat nature as a cherished member of our family and community.

## PASSIONNÉMENT VERT

En bordure d'un magnifique parc national, riche en flore et en faune, l'usine de fabrication de GRAFF est activement et complètement verte. La gloire de la nature nous entoure alors que nous protégeons et honorons les précieuses ressources que la terre offre. Nous protégeons passionnément l'environnement, en respectant les normes strictes EMS et de conservation pour assurer la vitalité d'un présent et d'un avenir vert. Dans notre usine de fabrication et partout où GRAFF est présent dans le monde, nous traitons la nature comme un membre précieux de notre famille et de notre communauté.

## APASIONADAMENTE ECOLÓGICOS

Bordeando un hermoso parque nacional, rico en flora y fauna, la unidad de producción de GRAFF es activa y completamente ecológica. La naturaleza nos rodea mientras apreciamos y honramos los preciosos recursos que nos ofrece la tierra. Protegemos apasionadamente el medio ambiente, cumpliendo estrictas normas de EMS y de ahorro de energía para garantizar la vitalidad de un presente y un futuro verdes. En nuestras fábricas y en cualquier lugar del mundo donde GRAFF esté presente, tratamos a la naturaleza como un precioso miembro de nuestra familia y comunidad.

## APPASSIONATAMENTE VERDI

Confinante con un bellissimo parco nazionale, ricco di flora e fauna, lo stabilimento di produzione di GRAFF è attivamente e completamente green. La natura ci circonda mentre custodiamo e onoriamo le preziose risorse che la terra ci offre. Proteggiamo con passione l'ambiente, rispettando i rigorosi standard EMS e di risparmio energetico per garantire la vitalità di un presente e di un futuro verdi. Nel nostro stabilimento di produzione e ovunque GRAFF sia presente nel mondo, trattiamo la natura come un membro prezioso della nostra famiglia e della nostra comunità.

# GRAFF

**THE STORY BEGINS**

Mr. Ziggy Kulig, President, GRAFF, envisions making a difference in the industry by combining his European creativity with American engineering expertise.

**NO-LEAD PRODUCTS**

The combination of a European background and American culture shapes Kulig's desire to manufacture unique, designer eco-friendly products.

**NEW MANUFACTURING PLANT & ISO 9001**

Adjoining a national park and protecting the environment, GRAFF acquires a manufacturing plant that meets strict EMS and conservation standards. In 1996, GRAFF achieves ISO 9001 certification for its quality management systems.

**THE DEBUT OF DIFFERENCE**

More than a product, GRAFF's designs are masterpieces, representing a philosophy of style and perfection.

**ISO 14001 CERTIFICATION**

GRAFF obtains the ISO 14001 certification for its production processes.

**GRAFF RAISES THE BAR**

All GRAFF products adhere to eco-friendly standards by automatically including a water-saving device.

## ALL IN-HOUSE MANUFACTURING

**With each product being engineered, manufactured and inspected in-house, the company holds total control of every step in the manufacturing process. Manufacturing uses both high-precision tools and irreplaceable human artistry. GRAFF products are made by hand and are a combination of many skills.**

### FABRICATION GRAFF 100% EN INTERNE

Chaque produit étant conçu, fabriqué et inspecté en interne, l'entreprise détient le contrôle total de chaque étape du processus de fabrication. La fabrication utilise à la fois des outils de haute précision et un savoir-faire humain irremplaçable. Les produits GRAFF sont fabriqués à la main et sont une combinaison de nombreux savoir-faire.

### 100% DE PRODUCCIÓN PROPIA

Cada uno de los productos se diseña, fabrica e inspecciona internamente, lo que permite a la empresa controlar totalmente cada paso del proceso de producción. La cadena de producción utiliza tanto herramientas de alta precisión como una habilidad humana insustituible. Los productos GRAFF se fabrican a mano y son una combinación de muchas competencias.

### GRAFF PRODUZIONE INTERNA AL 100%

Poiché ogni prodotto viene progettato, fabbricato e ispezionato all'interno dell'azienda, quest'ultima detiene il controllo totale di ogni fase del processo produttivo. La produzione utilizza sia strumenti di alta precisione sia l'insostituibile abilità umana. I prodotti GRAFF sono realizzati a mano e sono una combinazione di molte competenze.

# The Art of Shower Composition

Revealing a world of color and customization, RIVA reimagines the luxury shower.

Experience complete immersion in bespoke splendor, mesmerized by controls and components that gleam with artistry and precision and please with ease of use.

An exemplar of engineering expertise and captivating beauty, RIVA transforms the shower with unsurpassed form and function.

A person is shown from the back, showering with two rain showerheads. The showerheads are black with a silver mesh face, and they are mounted on a dark, marbled wall. The person's hair is wet and they have their hands on their head. The lighting is dramatic, highlighting the water droplets and the texture of the showerheads.

## Precision Instruments, Positioned with Perfection

A stunning contemporary sculpture, the RIVA shower's levers and controls suggest the instrument panels of glamorous sports cars and elegant yachts.

Exhilarating design, unmatched attention to detail, and advanced engineering distinguish RIVA within the highest tiers of luxury.

A testament to superior craftsmanship and quality, RIVA is designed to thrill and soothe body and soul.

# Refined Aesthetics, Advanced Technology

Beauty and precision define RIVA's design, merging exquisitely refined aesthetics with leading-edge technology.

Forged from materials of the highest caliber, RIVA rises, a new icon of enduring luxury and wellness.

Intricately crafted artisanal details meld aesthetic delight with the physical and emotional pleasures of precision in flow, angle, and temperature.

## Terms & Conditions

<b>Terms:</b>	Net 30 days, subject to credit approval. A service charge of 1½% per month (annual percentage rate: 18%) will be charged on all invoices outstanding over 30 days. Note: All orders below \$100 will be subject to an additional handling charge.
<b>Freight:</b>	All orders are shipped by the method and carrier of our choosing at a prepaid freight level. Any customer routing or express deliveries will be done at the customer's request and expense. Full freight is allowed on shipments of \$3,000 net invoice within the contiguous United States for all standard orders. All other shipments of lesser value inside the continental U.S. will be shipped F.O.B. our warehouse. Any shipment outside the continental U.S. will be shipped freight collect Ex-Works, Milwaukee, Wisconsin, U.S.A.
<b>Prices:</b>	All orders accepted will be priced according to prevailing prices at the time of shipment. All prices and terms are subject to change without notice.
<b>Claims:</b>	All claims for damages or shortages must be made within 14 days from receipt of goods. Delivery to the carrier constitutes delivery to customer. Claims for merchandise delivered with damage to exterior packaging resulting in damaged product must be filed with the carrier within (7) days of receipt. The contents and packaging are not to be disposed of until an inspection is completed by the corresponding carrier.
<b>Special Order Products:</b>	Orders for special order finishes and custom products are non-cancellable and non-returnable.
<b>Returns:</b>	Product that is new, unused and in resellable condition is eligible for return. Returned goods will not be accepted unless authorized in writing by GRAFF. The original GRAFF invoice number/sales order number and date of shipment are required. The Return Materials Authorization (RMA) will be provided to the customer. This number must be on the outside of your package(s) and the authorization form inside of the package in order to be accepted. Credit or replacement will only be allowed if, after an inspection, a defect in workmanship is indicated. Inbound and/or outbound freight for return items is the responsibility of the purchaser.
<b>Credits:</b>	Returns other than defects are subject to a 25% restocking charge. All requests for return of merchandise after 30 days from date of invoice are subject to a 50% restocking charge. GRAFF reserves the right to refuse returns after 6 months from date of invoice.
<b>Deduction from Payments:</b>	All invoices must be paid as invoiced. Credit memos will be issued for invoice adjustments. Deductions are not allowed (Debit Memos) without prior authorization from GRAFF.
<b>Deliveries:</b>	GRAFF is not responsible for delays in deliveries due to circumstances beyond its control such as fires, strikes, transportation delays, materials, shortages, accidents, war or other contingencies of similar nature.
<b>Product Changes:</b>	GRAFF reserves the right to discontinue, alter, modify, or redesign products without liability.
<b>Other:</b>	Possession of this or any other GRAFF price book does not constitute a contract to sell. GRAFF is not responsible for any errors or omissions within this or any other price book.

## GRAFF Limited Lifetime Warranty

GRAFF products are warranted to be free from defects in materials and workmanship for the life of the product.

This warranty only applies to product purchased through an authorized GRAFF dealer for use in North America. This warranty is limited solely to the original purchaser, and is non-transferable. Proof of purchase (original sales receipt) must be made available to GRAFF for all warranty claims.

**Mechanical Warranty:** All mechanical parts and ceramic disc cartridges are warranted to be free from manufacturing defects in materials and workmanship for the life of the product.

Thermostatic, pressure balance and diverter cartridges, diverters, and electronic faucets and shower components are warranted for **two (2) years** from the original date of purchase.

### Finish Warranty:

#### Limited lifetime warranty:

Polished Chrome, Onyx PVD™, Brushed Onyx PVD™, Rose Gold PVD, Brushed Rose Gold PVD, Gunmetal PVD, Polished Nickel PVD, Brushed Nickel PVD, Polished Brass PVD, Brushed Brass PVD, Polished Rustic Bronze PVD, Brushed Rustic Bronze PVD, Antique Brass PVD, Polished Gold PVD, Brushed Gold PVD and Satin Gold PVD.

**Five (5) years** from the original date of purchase: Brushed Nickel and Polished Nickel.

**Three (3) years** from the original date of purchase: Olive Bronze™, Steelnox® (Satin Nickel), Architectural Black™, Matte Black™ and Architectural White.

**Two (2) years** from the original date of purchase: Vintage Brushed Brass.

**One (1) year** from the original date of purchase: Polished Gold 24K and Brushed Gold 24K.

**Exclusions:** This warranty applies to normal, residential use. Product sold for installation and use in commercial and business applications will be covered by a **one (1) year** limited warranty from the date of purchase by the original owner.

Finishes on Cover Plates, Kitchen/Bath Accessories and Kitchen Sprays are warranted for **two (2) years** from the original date of purchase regardless of finish, except Polished Gold 24k and Brushed Gold 24k are only warranted for **one (1) year**. Finishes on drain assemblies and aerators are not covered under warranty.

This warranty does not cover items sold for display purposes or "as is" or products made of glass or porcelain.

Improper maintenance and cleaning of fixtures with abrasive or corrosive chemical cleaners will void this warranty.

This warranty does not extend to products that have been damaged through normal wear and tear, accidents, misuse, abuse, neglect, exposure to abrasives or chemicals, poor/hard water conditions and excessive mineral deposits, or improper installation, including the use of less than 100% silicone caulking adhesives or oil based putty. Due to the sophistication of our products, GRAFF strongly recommends the use of licensed installers. Installers are 100% responsible to test product immediately after installation for functionality.

Warranty will be void if item has been altered or tampered with including: the removal of aerators and restrictors, items previously repaired using replacement parts other than genuine GRAFF parts, or use in outdoor or marine applications.

GRAFF's warranty does not cover items sold for display purposes or "as is".

GRAFF is not responsible for labor charges, installation or other incidental or consequential costs. In no event, shall GRAFF's liability exceed the purchase price of the product.

At GRAFF's discretion, we require any and all products to be returned to GRAFF for evaluation for any claims and/or defects.

Inbound and/or outbound freight for warranty items is the responsibility of the purchaser.

This warranty is the exclusive warranty granted by GRAFF in lieu of all other warranties expressed or implied including those of merchantability and fitness for a particular purpose. Some states/provinces do not allow limitations of how long an implied warranty lasts or the exclusion or limitation of such damages, so these limitations and exclusions may not apply to you. This warranty gives the consumer specific legal rights. You may also have other rights that vary from state/province to state/province.

**Obtaining Warranty Services:** Replacement parts may be ordered through GRAFF directly. Contact GRAFF Technical Support at 1-800-954-4723 or email techsupport@graff-designs.com.

GRAFF reserves the right to require any part deemed as defective to be returned to our US headquarters for inspection prior to replacement parts being issued.
