

A Quick and Easy Virtual Moving Experience

Mayflower is pleased to offer a simple and convenient Virtual Survey option using the video chat functionality on your mobile device. No need to answer the door — our Virtual Survey is conducted remotely for your convenience and peace of mind.

CONVENIENCE & PEACE OF MIND

Schedule your Virtual Survey whenever it's convenient for you (including evenings and weekends), without the need for an estimator to visit your home

SPEED

Our Virtual Survey allows us to get your moving quotes to you faster.

QUALITY

We can provide the same accuracy and service as an in-person appointment. The only difference is you're talking to your estimator by video call.

EASY TO USE

It is as simple as a video chat. During the survey process, a Mayflower moving specialist will guide you through your home using your device's camera.

A Virtual Survey is as simple as 1-2-3

1. Schedule a virtual survey appointment and receive a link to download our Virtual Survey app.
2. At the scheduled time, launch the app to connect with your Mayflower estimator who will conduct the survey via video chat.
3. The estimator will provide you with a moving quote. It's that simple.

You will need access to Wi-Fi, or data charges may apply when conducting the Virtual Survey. The Virtual Survey app is available on the App Store and Google Play. Our Privacy Policy and other terms and conditions may apply.
