# Pure Collection

Step into the world of enhanced relaxation with our Pure Collection - a family of saunas designed to elevate your overall well-being. Choose from three unique models\*, each showcased in premium aspen lumber with elegant black details for a touch of sophistication:

**Type II** - shallow depth and notched lower bench, offers a cozy and inviting space for indulging your moments of calm.

**Type IV** - full depth and upper 'L' bench, provides a spacious and comfortable retreat for deep unwinding.

**Type VI** - two full benches, partial corner glass, and full glass front for the most luxurious sauna experience.

Crafted with care and complemented by ambient LED lighting, our Pure Collection redefines holistic wellness.

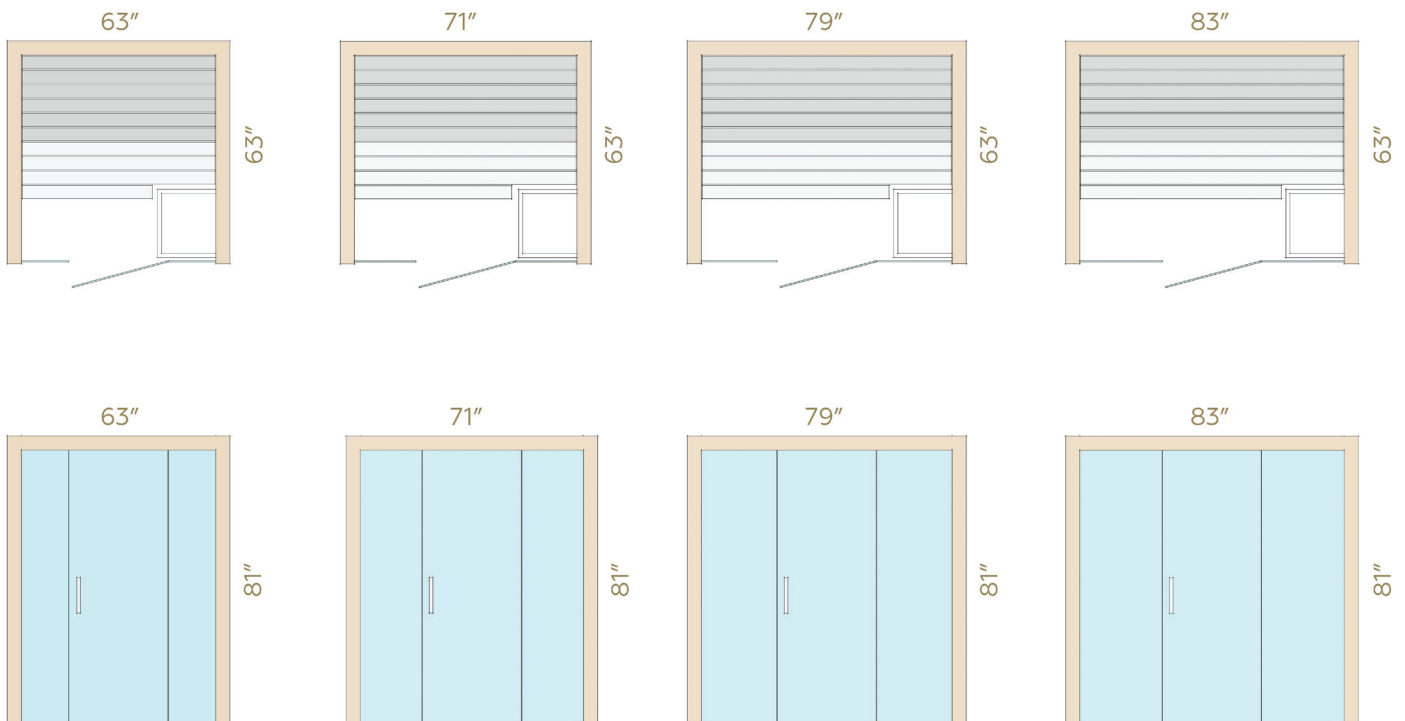

\*Each model available in four size options

# Supreme Collection

Discover the ultimate sauna experience with our Supreme Collection - designed to melt away stress, indulge your senses, and promote optimum sleep and restoration. Two model variations both feature gorgeous starry-sky lighting above and ambient RGB LED illumination beneath, creating a harmonious blend of customizable functionality and peaceful serenity.

Wide panel premium, full-frontal glass and glass doors provide a spacious and inviting retreat. Model two takes luxury a step further with full corner glass, offering a panoramic view of tranquility.

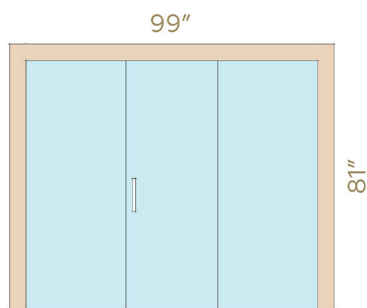

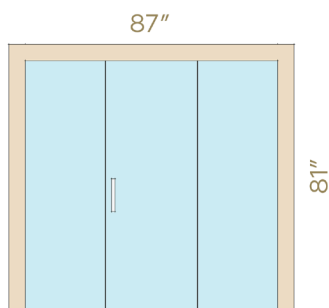

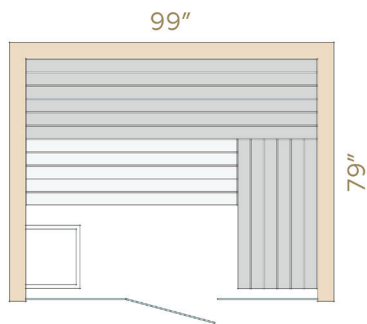

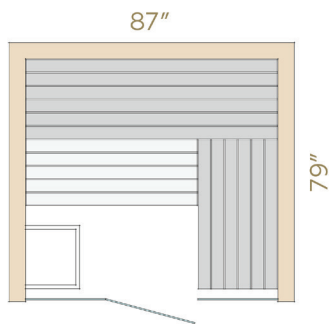

Timeless sophistication defines the premium Nordic aspen lumber showcased on the interior and exterior walls, and unique floating bench construction of the upper 'L' bench and full lower bench.

Indulge in luxury and prioritize your well-being with our Supreme Collection.

# Pure Outdoor Collection

Bringing our most popular free-standing sauna to the great outdoors. Our Pure Outdoor collection combines the same beautiful style and quality on the inside with three exterior options to compliment any outdoor space.

**Type II** - shallow depth and notched lower bench, offers a cozy and inviting space for indulging your moments of calm.

**Type III** - two full benches, and full glass front for the most luxurious sauna experience.

**Type IV** - full depth and upper 'L' bench, provides a spacious and comfortable retreat for sharing pure moments.

**Exterior Options** - 1. Thermally treated pine for a modern-class sauna look. 2. Black panel for a purely modern look. 3. OSB only. Built to customize, match your home by installing the same siding on your sauna.

\*Each model available in four size options

# Interior Lumber

Thermo pine exterior.

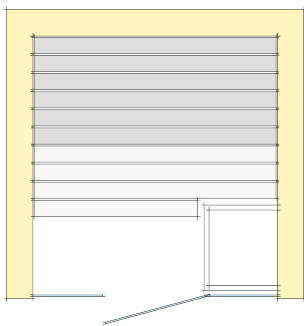

## Thermo Pure

Thermally modified aspen for a more traditional aesthetic, and a long lasting sauna.

## Pure

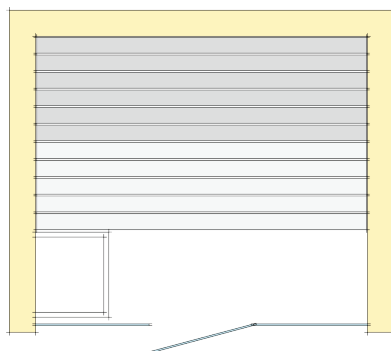

Blonde aspen for a lighter brighter sauna experience.

# Floor Plans

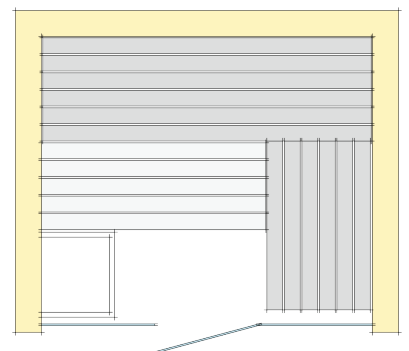

## Type II

Compact & comfortable.

## Type III

Full double bench layout.

## Type IV

Full top L bench for sharing the experience.

855.741.0577

# Thermo Pine

Thermally modified pine for a long lasting, traditional sauna with a contemporary feel.

# Black Panel

The perfect compliment to a modern space. Our aluminum panel siding has an amazing feel and is built to withstand the elements.

855.741.0577

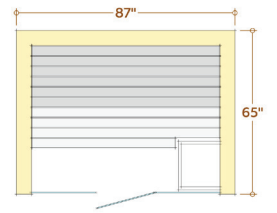

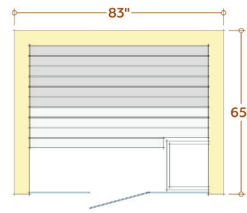

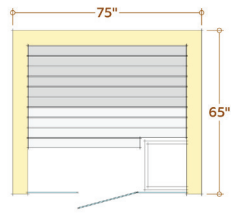

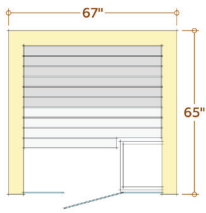

# Customizable OSB

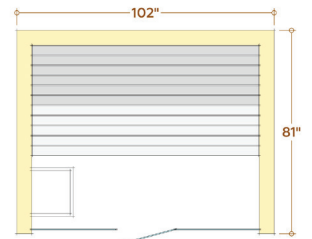

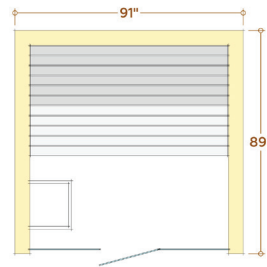

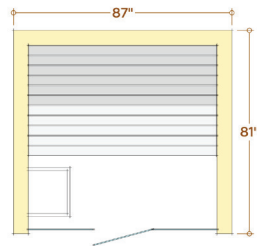

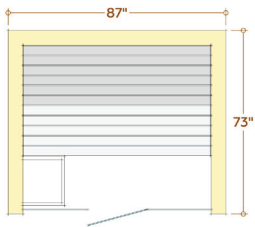

The blank slate. Because no one makes a sauna that perfectly matches your house. Opt for OSB and choose the siding that fits you best.

# Four Size Options per Type

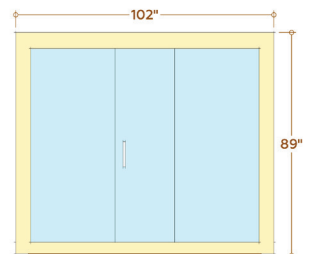

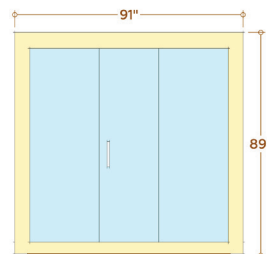

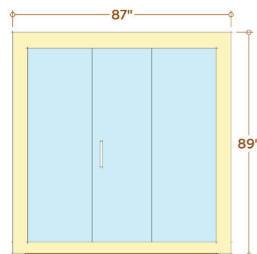

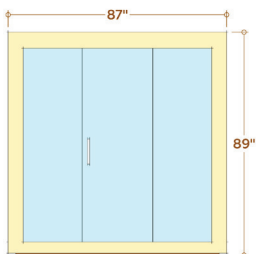

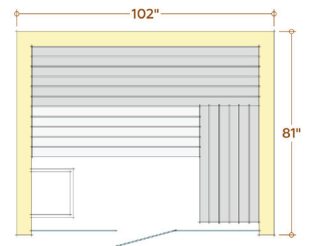

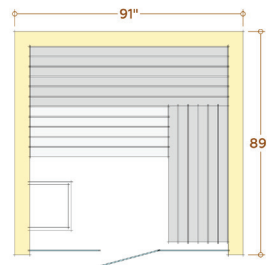

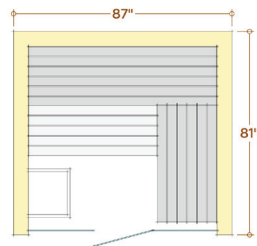

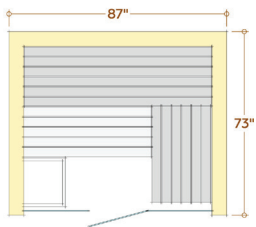

## Type II

## Type III

## Type IV

All outdoor saunas are 89" tall.
